The Asian and the Indian

Misc. stuff.

So I'm thinking this might be a great way to have everyone keep up with Jon and I. still playing with the site...Just random thoughts and happenings. enjoy

the asian, the indian, and the fatty hippo in action

Bastet

our fatty hippo

Today my team met at Inner City Arts. I'd never heard of this place, but I was completely blown away. It literally is located in skid row and it houses a closed campus for students to come and visit and they get a chance to do visual and performing arts. It really is super incredible.
