

Your gift helps inner-city children thrive.

Only \$140 will pay for a full year of classes for one child.

At Inner-City Arts we have created a learning environment of profound self-expression. Our classes provide much more than just a few hours of play with art supplies. Our programs build a bridge between the demands of our students' often difficult lives and the world of academic achievement. The children are creating a whole new vision of self – a new world of hope that includes accomplishment and belonging.

YES! I want to help. I would like to support the following:
